HOOF TO HEART shares Kim's thoughts and knowledge that have been gained from working with grieving children, teens and families for 15 plus years, in addition to her personal experiences of loss. This guide is an easy read, with quick reference capabilities for those who want information at their fingertips. It provides a foundation for those who are interested in learning more about partnering the fields of grief and loss with that of equine assisted psychotherapy and counseling and discovering more about the healing power of the horse.
