Amyas absolutely thrilled when her mum gets her an after-school job working behind the scenes at Marks and Spencer Teen Fashionista week; it seems a perfect

opportunity to polish her design skills and cultivate her true passion for fashion But when a talent scout convinces Amy that she should actually appear on the runway as a model for the big show, things start to fall apart. Suddenly, Amy finds herself hanging with the beautiful people, and her head gets more than a little inflated as a result. Whatas worse, she begins ditching the English Roses to hang with her fashionable new friends The Roses have to wonder if sheas getting a wee bit big for her designer britches Will Amy abandon her four best friends to follow the fashionista crowd forever?
