Peter Yarrow's gentle voice will lull children to sweet dreams with these 12 beautiful and timeless sleepytime songs. It's the perfect goodnight combination, with a book of lyrics to read aloud before little heads hit the pillow, and a CD providing soft, beautiful accompaniment to quiet the most animated child. Terry Widener's lovely art captures such iconic nighttime moments as a moon smiling down, a mother rocking her baby, and magical animals flying in the sky. Parents and kids will enjoy sharing a quiet musical moment together before falling fast asleep.
