出版时间:1943-1

装帧:Paperback

isbn:9780882951058

This practical, easy-to-use guide provides answers to the most common problems encountered by students in the writing of history research papers. It employs a practical approach beginning with the first task, selecting a topic, and takes the student through how to prepare a bibliography - without becoming bogged down in the nature and philosophy of history. Included are three student exercises designed to improve techniques in locating library resources, using historical criticism, and preparing footnotes.
