He's been dubbed "Chainsaw Al" and "Rambo in Pinstripes." He has also been hailed by "Barrons" as "America's premier turnaround artist." Now, Al Dunlap, who transformed the once-ailing Scott Paper into a Wall Street success story, shares his battle-tested strategies for revitalizing sluggish companies in "Mean Business," Here is the inside story of Dunlap's quest to make Scott once again a world-class competitor. Along the way, Dunlap provides invaluable, must-read lessons for everyone struggling to meet the tough, competitive challenges of today's business world.
