出版者:Univ. of Minnesota Press

出版时间:2001-06

装帧:Paperback

isbn:9780816638789

Focusing on the changing image of the West Coast through such varied social and cultural artifacts as bodybuilding, group therapy, suicide cults, milk-carton images of missing children, teenage slang, and surf music, Laurence Rickels offers a dizzying psychohistory of the twentieth century as crystallized in the symbolic configuration called California and considered in relation to German modernism, national socialism, and Freudian psychoanalysis.
