A beautiful story about two lovely dinosaurs with a message as old as time itself -- that being together is better than being apart! the perfect gift for Valentine's Day Featuring

animals as well as distinctly animalistic humans, Edward Monkton books are highly collectable and stylish gift books -- equally at home on a coffee table, in the bathroom, in quiet places or together places. They are perfect for giving to a loved one or for keeping for yourself. A Lovely Love Story describes a special kind of friendship between a fierce Lovely Dinosaur and a Lovely Other Dinosaur, who melts the heart of her clever but tough admirer. The two friends realise they fit together and complement each other perfectly -- and it's a reminder that our differences shouldn't be an obstacle to loving each other. Each book in this new series is an original story, charmingly illustrated, and created especially for this brand-new series of gift books. Hand-lettered in the same style as the Edward Monkton cards by the Really Good company, the books are wonderfully packaged with the utmost style and attention to detail to make these hugely desirable objects and perfect gifts for special occasions. These creations prove there is a universal and enduring audience for tales that inspire and touch hearts. Their philosophy is to heal, unite, amuse and delight in equal measures.

Together they stand on the hill, telling each other stories and feeling the warmth of the sun on their backs. And that, my friends, is how it is with love.
