The Routledge Reader in Caribbean Literature is an outstanding compilation of over seventy primary and secondary texts of writing from the Caribbean. Locating key writers within a specifically Caribbean framework, the editors Alison Donnell and Sarah Lawson Welsh demonstrate that these singular voices have emerged not out of a cultural void or sparse literary background, but out of a wealth of literary tradition which until now was unknown or critically neglected. Writers from 1900 to the present, both famous and less well-known, are given a voice in this remarkable anthology which encompasses poetry, short stories, essays, articles and interviews. Amongst the many represented here are: \* C.L.R. James \* George Lamming \* Jean Rhys \* Benjamin Zephaniah \* Claude McKay \* Jamaica Kincaid \* Sylvia Wynter \* Derek Walcott \* David Dabydeen \* Grace Nichols The editors provide an accessible historical and cultural introduction to the writings, making this volume an ideal teaching tool as well as a fascinating collection for anyone interested in the literature of the Caribbean.

用作打底。我真是不喜欢creole English，一看到就头皮发麻。
