著者:Ben Highmore

出版者:Palgrave Macmillan

出版时间:2009-7-15

装帧:Paperback

isbn:9781403997180

Impressively accessible and packed with key theory and concepts, this book is a vivid introduction to cultural studies. Each chapter takes engaging examples from everyday life and uses them to explore core issues, from migration to mass media. This book encourages all students of culture and media to become passionate about cultural studies.
