One of the best-selling medical textbooks of all time, "Robbins and Cotran Pathologic Basis of Disease" is the one book you probably purchased as a medical student that still provides answers now that you're in practice. The new professional edition is the

same 'who's who' of pathology experts that delivers the most dependable, current, and complete coverage of today's essential pathology knowledge, now with benefits designed specifically for you as a practitioner. Masterful editing and a practical organisation make learning or reinforcing every concept remarkably easy. Online access via Expert Consult gives downloadable images, search functionality, and free access to a differential diagnosis tool.
