"Heghlu'meH QaQ jajvam." "It is a good day to die." What is the proper response to this? What should I do? Now, with Klingon for the Galactic Traveler you will know. Organized into four easy-to-use sections, this book will guide your steps through the Klingon language and customs: The regional dialects of the Empire

Common, everyday usage of the language

The slang phrases and curses that color the Klingon vocabulary

Most importantly, the proper verbal, physical, and cultural responses. A misspoken word to a Klingon, who is quick to take offense and even quicker to take action, could have dire consequences. This book is the indispensable guide for the galactic traveler.
