著者:Alison Acheson

出版者:Porcupine's Quill

出版时间:1998-10-15

装帧:Paperback

isbn:9780889842014

'The short stories in Alison Acheson's Learning to Live Indoors deal with family relationships. Acheson, who lives in British Columbia, has previously published two young adult novels, one of which was shortlisted for several awards. But although this collection is full of domestic detail, there is nothing cozy about the stories.'
