Frisbee Sheffield argues that the Symposium has been unduly marginalized by philosophers. Although the topic - eros - and the setting at a symposium have seemed anomalous, she demonstrates that both are intimately related to Plato's preoccupation with the nature of the good life, with virtue, and how it is acquired and transmitted. For Plato, analysing our desires is a way of reflecting on the kind of people we will turn out to be and on our chances of leading a worthwhile and happy life. In its focus on the question why he considered desires to be amenable to this type of reflection, this book explores Plato's ethics of desire.

评论

将Socrates讲辞视为对其他讲辞的补充完善和修正；论证绵密但多有重复。一直未解决的问题是1如何从肉体转到灵魂2爱欲的指向是天性规定的话，如何调和它与每个人的德性潜能的假设之间的矛盾。
