Penguin 60's are small books measuring 4.25 x 5.33 inches, published on the occasions of Penguin's 60th anniversary. The Mother Goose nursery rhymes are an enduring body of beloved wisdom and whimsy, draawn from popular songs and rhymes, folklore and folk songs. The first published edition contained only 55 entries - later collections as many as 750. This sampler presents some of the most familiar rhymes, which generations of children have responded to and passed along.

因看安吉拉·卡特的《莉兹的老虎》,觉得最后Lizzie Borden的名字很熟悉,最后百度查到了这个童谣。典型的黑色童话,以前好像听过,但并没有注意,今天细读后,才发现好多故事都成了后来文学作品的引子。更惊奇的发现是小时候练琴时最早弹的《汤普森教程》前三册好像大部分都是以该童谣谱的曲子,所以今天读这个的时候,很多文字都在心里跟着哼出了旋律。真的会有种美妙幸福的感觉呢。尽管内容有些阴暗。
