"Ox-Tales" is a set of four compelling and collectible books, each themed on one of the

elements. 'Fire' features stories by Mark Haddon, Geoff Dyer, Victoria Hislop, Sebastian Faulks, John le Carre, Xiaoulun Guo, William Sutcliffe, Ali Smith, Lionel Shriver and Jeanette Winterson, and a poem by Vikram Seth. The idea behind "Ox-Tales" is to raise money for Oxfam and along the way to highlight the charity's work in project areas: agriculture in Earth, water projects in Water, conflict aid in Fire, and climate change in Air. The four books will play a central role in the first ever Oxfam Bookfest, a new annual event launching in July 2009. Created in partnership with Hay Festival, the program includes more than 300 events across the UK.
