The official guide to winning no-limit tournaments at the World Series of Poker and other big events is perfect for beginning and somewhat experienced players who want to jump right in on the action. Readers not only learn how to enter WSOP events, but the specific strategies needed to slice large fields of players including how to gain chips on preflop, flop, turn and river, how to play differing stack sizes, and how to go for gold when players have a shot at the championship. Cardoza includes numerous hands he's actually played in championships so readers get right in on the action and see how strategies work out under live conditions. Detailed charts including basic odds for different situations, hand-match-ups, and multiple betting and playing charts that can be found nowhere else make this book extra unique. Includes strategy insights from many superstars including Doyle Brunson, Mike Caro, Daniel Negreanu, Phil Hellmuth Jr, and More
