Hilarious new series of wacky stories from a US boarding school where naughty pranks and mischief rate much more highly than education. From bestselling US author, R.L. Stine. Welcome to Rotten School, founded 100 years ago by I. B. Rotten as a boarding school where students would grow and succeed intellectually, morally and physically as they prepared for a productive and happy future. However, today our standards are a little less rigorous -- we are simply happy if the students are still alive at the end of each day! We think rivalry is healthy for our pupils, thus, Rotten School is divided into two warring groups: Bernie Bridges and his friends in Rotten House vs. Sherman Oaks and his friends in Nyce House. Angel Goodeboy is a perfect angel. He even wears a T-shirt that says "Mommy's Little Angel." When Mrs Heinie makes Bernie share his room with Angel, Bernie soon discovers that Angel ain't no angel. The little sneak takes over Bernie's room, steals Bernie's friends and charms Bernie's girlfriend. But how can Bernie get rid of an angel?
