With Kids' Safari, an exciting six-level series for elementary school, students acquire basic structures and vocabulary in English as they become friends with delightful characters in their natural habitats. Each level takes students on a new adventure using the different settings of garden and forest, sea, rainforest, savannah, desert, and the polar regions. Learning is enhanced with a wide range of stories and non-fiction readings, manual activities, lively songs, and projects that provide the opportunity to practice the four skills and recycle language. Students' imagination and creativity are stimulated as they role-play with puppets, move like different animals through motivating TPR activities, and play a variety of games.
