

How Language Works

[How Language Works_下载链接1_](#)

著者:Crystal David

出版者:Penguin

出版时间:2006

装帧:Paperback

isbn:9780140515381

In this fascinating survey of everything from how sounds become speech to how names work, David Crystal answers every question you might ever have had about the nuts and bolts of language in his usual highly illuminating way. Along the way we find out about eyebrow flashes, whistling languages, how parents teach their children to speak, how politeness travels across languages and how the way we talk show not just how old we are but where we're from and even who we want to be.
