For almost a decade, psychic medium Joe Power has used his extraordinary powers to investigate high-profile, unsolved murder cases around the world, including, most recently, the disappearance of Shannon Matthews. But it wasn't always this way. Joe had denied his psychic abilities until the day his brother was found dead. Then messages from the spirit world led him to see the shocking truth behind the tragedy ...his brother had been murdered. Joe realized he could no longer ignore the startling visions and voices in his head. He vowed to use his psychic gift to help solve the murder cases that were leaving detectives baffled, and loved ones without closure. In "The Man Who Sees Dead People", he tells the astonishing story of his life for the first time.
