Lorna Kepler was beautiful and wilful, a loner who couldn't resist flirting with danger. She has also been found dead in mysterious circumstances and her death pulls Kinsey Millhone into a netherworld of deception, betrayal and unavenged murder ...'Crisply written, ingeniously plotted, with a regard for humanity striving against the odds that's both tonic and rare' - "Literary Review". "'K is for Killer'" is another exciting novel from the excellent Sue Grafton' - "Daily Mirror".
