One day, when looking after her flower, Rose discovers a caterpillar munching on one of the leaves. She's very worried for her flower so she decides to go to Sweetpea for help. By the time she goes back to her flower, the caterpillar is gone and instead there's a hard shiny thing hanging from the leaf. Rose goes back to check on her flower every day for two weeks and on the 14th day she finds something magical ...Join her and find out what Sweetpea's surprise is ...
