This book features over 30 enchanting colour action photographs. Babies and toddlers will love to look at these picture books with their parents or by themselves. They are informative, stimulating, and entertaining. Babies and toddlers enjoy looking at lots of different pictures - and can learn about a number of topics at the same time! Each book shows a variety of ways to interest and enthral a young child. These wonderful picture board books will delight children up to the age of two, who will love looking at them with their parents or by themselves. This stimulating series is designed to capture a child's attention with images, colours, and shapes he or she will recognize. Visually

exciting, fun to use, and built to endure, they are an ideal introduction to the world of books.
