Stimulate reading excitement with nonfiction crafted for middle-level readability. This best-selling series motivates with high-interest selections at middle-level readability. Emphasis is on reading nonfiction. Critical thinking questions prepare students for state and national tests. "The Wild Side", a perennial favorite among struggling readers, mesmerizes with astonishing tales of true-life adventures. One appreciative teacher notes: "I have difficulty removing the books from their hands at the end of the period!" Comprehension questions reinforce literal understanding, while critical thinking questions encourage students to consider the author's purpose, make inferences, identify cause and effect, and make predictions. With all this excitement, students won't realize how well designed this series is for reinforcing state reading standards. Reading level is 4-6 while interest level is 6-12 years.
