Like a roll of wallpaper, this home decor book is both lovely to look at and entirely practical to use. It showcases contemporary and vintage patterns, plus instructions for over 50 wallpaper projects ranging from quick scrap crafts (book covers) to more involved design upgrades (headboards) to big impact makeovers (walls, window shades). Design experts Derek Fagerstrom and Lauren Smith share photographs of

stylish interiors, foolproof instructions, shopping resources, and ideas for designing your own wallpaper. The reverse of the book's jacket features a pattern designed by artist Lena Corwin enough paper to complete one of the book's quick scrap crafts right away.
