Help your child get to the top of the class fast with this "Eyewitness Project Book" on rocks and minerals. You can watch your child take their knowledge of rocks and minerals to the next level using this fill-in home-study workbook. They'll test their knowledge and train their brains with hands-on activities, amazing stickers and quick-fire quiz pages. Do the activities together and encourage your child to practice essential skills at home to keep them one step ahead of the class. There are fun-filled curriculum based exercises that will help them progress with confidence. Reward stickers, a progress chart and pull-out certificate make learning about rocks and minerals fun and easy!
