Imagine yourself in the electrifying driver's seat of your dream car and discover the fast and furious world of Formula One. Learn your cockpits from your monocoques, your paddles from your paddocks, your downforce from your G-force, and all that lies

between! This title is packed full of round-the-world record-breaking race, team and driver info and all the technical car 'gumpf' you'll ever need! Sit on the edge of your seat and read all about nail-biting championship moments, team triumph and tragedy, exhilarating starts and expertly engineered race strategies. Then, pull out your official race poster and put it on the wall. This is the perfect souvenir for any budding F1 addict.
