What could be worse than being stuck in an office all day? Meetings, deadlines... colleagues. Surely no torture can crush the spirit so completely as prolonged exposure to these people. You've faked phone calls to avoid them. You've hidden in toilet cubicles until they've gone away. At last there's an effective way to fight back. "Pains in the Office" will help you identify, shun and plan your revenge on the 50 worst types of people you meet at work. Your job may be awful, you may hate your colleagues with a passion, but here at least is a happy place to retreat into. This is your comfort blanket, hidey-hole and fire escape all rolled into one. "Pains in the Office" is guaranteed to become as indispensable to the office worker as cigarette breaks and free stationery.

Its the perfect antidote to nightmarish co-workers everywhere
