Poseur's hot new handbag captures Hollywood tastemaker Ted Pelligan's eye, and now everyone's atwitter. Will those delicate straps hold his attention? Or snap under the strain...

To prove their worth, fashion foursome Melissa, Charlotte, Petra, and Janie must a) dangle their bag on celebrity armage b) sneak into the most anticipated event of the year, and c) convince the paparazzi to point their Canons. And all without couture-competitor Vivien Ho noticing.

Yeah, right.

Get ready to rumble, baybees! A party's not a party until something--or someone--breaks.

The juicy new series from the publisher of the national bestselling series Gossip Girl, The Clique, The It Girl, and The A-List .
