With so many distractions always near at hand, convincing little ones to learn their ABCs can be a challenge. This gorgeous set of flash cards makes the process easier, and fun for both parent and child. These big, brightly colored, sturdy cards, featuring funny animals, intriguing characters, and objects both familiar and new, are perfect for grasping in small hands. Julie Morstad ABC makes this first, fundamental step in the reading process an enjoyable one, and proves a unique addition to a diverse collection of art.
