Before The X-Files, before Buffy, his tales of P.I. Teddy London were being read and enjoyed by fans around the world. Now, for the first time ever, the absolute best of his supernatural sleuthing tales have been brought together in one incredible collection. Join him in the pages of fright-filled compilation as he furthers the careers of Lin Carter's remarkable Anton Zarnak and H.P. Lovecraft's resilient Inspector Legrasse. Experience his haunting takes on the mythos worlds of both Ramsey Campbell and Brian Lumley. And immerse yourself in stores featuring all the characters of his London universe. Here are thirteen tales of the greatest otherworld investigators ever created--private eyes, college professors, police officers, and even TV reporters--tackling witches, werewolves, and every other terror that crawls, flies, or creeps through the night. It's the best stories ever from the reigning monarch of macabre mysteries
