What would you like to know about yourself? Are you charismatic? Emotionally mature? A giver or a taker? Do you pick the wrong guys or gals? Brain Games: Personality Quizzes is a fascinating, fun, and easy-to-score collection of personality quizzes designed to entertain and enlighten. Part of the hugely popular Brain Games book series, it is packed with hundreds of thought-provoking and humorous questions that encourage you to have some laughs, and at the same time find serious answers to

your questions about emotions, wellness, love, and careers.

Dig into the book on your own, or get the gang together and learn about each other. You will find you are connected in ways you never noticed, though each one of you brings something special to your group. Topics covered in Brain Games: Personality Quizzes include:

Personality traits and intelligence

Your relationships with others

Your love life

Work and employment

Your social life

Your health

Other miscellaneous and fun topics that will surprise you with insights

Each chapter of Brain Games: Personality Quizzes begins with a light-hearted discussion about one of the topics listed above. Each quiz has a brief introduction that considers its theme and includes amusing pictures and pithy quotations from philosophers, comedians, and others of note. Each quiz also is accompanied by clear directions for easy scoring and fun write-ups of what the different results might mean.

The book is spiral-bound and easy to handle, regardless of whether you're at home, traveling, on a cruise ship, or waiting in line. Have fun with this book and gain a deeper understanding of the most fascinating topic of all: You.
