斯科特·斯库曼只想拍下路上看起来了不起的人。如今他的著名博客（将照片博客转为艺术形式的美国领头羊网站——《纽约时报》）尝试反映现实中的人们奇妙而多样的品味——不光是时尚界的品味。本书是斯科特在世界各地所拍的最心仪照片的合集：不仅有著名时尚人物的照片，还有那些不知名的路人快照，他们的想象和品味令观赏者悦心悦目。从里约热内卢到北京，从斯德哥尔摩到米兰的各条大街的人们给斯科特灵感，也给对时尚有所兴趣的不同年龄、不同收入阶层和不同国籍的设计师和普通人带来了灵感。由斯科特亲自参与设计并创作的此书本身就是出众的艺术品，全色彩、精选上等纸品印制。——本文指平装版。

Scott Schuman just wanted to take photographs of people on the street who looked great. His now famous blog ('the bellwether American site that turned photo blogging into an art form' - "New York Times") was an attempt to showcase the wonderful and varied sartorial tastes of real people - not only those of the fashion industry. The book is a beautiful anthology of Scott's favourite shots from around the world. They include photographs of well-known fashion figures as well as those shots of the anonymous passerby whose imagination and taste delight the viewer. From the streets of Rio to Beijing, Stockholm to Milan, these are the people that have inspired Scott and in turn, inspired designers and people of all ages, wages and nationalities with an interest in fashion. Intimately designed and created with Scott, the book is a handsome object in its own right, in full colour on hand-picked, quality paper.
