Introducing a scintillating new erotica series: Tarcher Sensual Awakenings

Meet Madame B, the extraordinary hostess of an exciting new line of erotica. In these delightful collections of sensuous and, at times, scandalous tales, the mysterious Madame B shares with readers the many wild and sexy escapades women have shared with her. For some reason, women gravitate to Madame B, confiding their innermost feelings-and their most shocking erotic exploits. To protect their privacy (as well as her own), the mysterious Madame prefers to remain anonymous.

In the third book in the series, The Notebooks of Madame B: Ecstasy, ten women reveal how their darkest (and dirtiest) fantasies became true, including:

\*"Car-ma Sutra": Fantasies about sex in public lead a young married couple to an unexpected midnight encounter.

In The Notebooks of Madame B, private indulgences are stripped bare for all to see, proving that the best erotic stories can't remain secret for very long.
