This is a colourful first numbers book in a chunky board book format with sparkly foil detail throughout. This delightful early learning book is the perfect way to introduce your child to new and familiar words set in a world of everyday activities. Look at the objects that appear on the left-hand page. Then, encourage your child to find and name them on the right-hand page. Start off by counting 1 kite in the sky, 2 trees in the park, 3 aliens in space, 4 balloons at the party, and 5 mermaids under the sea. In every picture, there are lots of extra objects for your child to look for - a lot of sparkly fun! Colourful shiny foil throughout makes every page a delight. Other titles in the "Sparkly Learning Series" include "First ABC", "First Pictures", "First Opposites", "First Words" and "First Animals".
