出版者:Wiley-Interscience

出版时间:1997-02-13

装帧:Paperback

isbn:9780471178248

This book is a collection of significant papers which have appeared in the Journal of Polymer Science over the years since 1945, and celebrates 50 years of publication.

These reprinted articles are presented in their original format and accompanied by commentary from the original authors when possible or experts in the field, describing the significance of the paper in the development of that particular area of polymer science.
