Although most people have rudimentary knowledge on how to get a job , very few spend much time learning how to keep a job . 99 Ways to Build Job Security provides a practical overview of workplace attitudes, practices, and habits that will instill a great work ethic and improve anyone’ s chances of holding on to a job in a tough economic climate.

Gary Nowinski , now a freelance writer and editor, has extensive management and customer service experience in corporations and various industries, including construction and radio/video production. He’ s experienced layoffs and downsizing several times in his career.
