Fun grids, hidden messages, and entertaining twists that only a top puzzlemaker like Mark Danna could dream up! You'll find all that right here, in one of the best word search collections ever. It has amazing variety, with grids that form cool pictures (like a rocket ship) to match the puzzle's theme and extra challenges to add spice to the solving. Some searches contain rebuses to decode; others make you come up with the word list yourself; and all of them contain a secret message! Once you've found all the words, read the uncircled letters from left to right, and top to bottom, to spell out a fascinating fact, riddle response, or interesting observation.
