The Modern House Today follows on from F. R. S. Yorke's seminal book of 1934, The Modern House, and considers the impact of such influential modern practitioners as Lubetkin, Gropius, Fry, Mendelsohn, Chermayeff, Breur, Hill and Goldfinger on this

important form of architecture. The book provides a comprehensive overview of the modern house through a combination of newly commissioned photography and documentary records. The architectural historian Kenneth Powell provides an authoritative and lively commentary to complement the numerous images.
