Includes both the AAP Textbook of Pediatric Care and a 1-year subscription to Pediatric

Care Online (PCO). PCO is an online resource that pediatricians can access at the point-of-care to quickly find answers and helpful information for their clinical reference needs. PCO will include such tools as the interactive Periodicity Schedule, a signs and symptoms search, an antimicrobial therapy guide, and patient handouts. PCO will also include the AAP Textbook of Pediatric Care, Bright Futures, Bright Futures Pocket Guide, and Red Book.
