I May Be Big But I Didn't Cause That Solar Eclipse is award-winning Canadian humorist Gordon Kirkland's fifth book. Three of his previous books received Canada's prestigious literary award, The Stephen Leacock Award of Merit For Humour. His syndicated newspaper column, Gordon Kirkland At Large, is enjoyed by readers in the United States and Canada every week. He is also a frequent guest on radio and television shows in both countries. In addition, he is in great demand as a speaker at conferences, conventions, and festivals throughout North America. An April 2006 profile of Kirkland in the Canadian edition of Reader's Digest said, "Kirkland's specialty is making others laugh at him, at themselves, and at life in general." In this book, Kirkland once again takes on subjects ranging from marriage to dealing with a canine companion. He looks at the odd events of daily life, and even finds humor in the experiences of moving and having a serious illness.
