Invaluable support for all teachers of Shakespeare in schools, colleges and institutions

of higher education. Stepping into Shakespeare provides a photocopiable set of lessons that you can adapt and extend to suit the needs, aptitudes and interests of your classes. Specially prepared for 9-13 year olds, and based on successful classroom experience, this collection is part of the award-winning Cambridge School Shakespeare series which recognises that active and imaginative learning is the key to motivation and to mastery of language skills.
