出版时间:2009-01-21

装帧:Paperback

isbn:9780615273105

Take a peek into the operations of an independent fashion design business. Whether you are an entrepreneur, designer, student or craftsperson, this book will guide you through the implementation process. From discovering who you are as a designer to an in-depth look at costing, pricing and budgeting, you will learn more than you ever

thought possible from 248 pages.
