For some, nothing is as pleasurable as the smell and taste of a great cigar. For them, Playboy The Book of Cigars will be the next best thing to lighting up. Whether you want

to learn the finer points of cutters, cutting, or humidors, or want to understand more about how the tobacco is grown and the cigars rolled, it's all here for you. Learn why Cuban cigars are so sought-after, what the cigars from the Dominican Republic and Honduras have to offer, and whether cigars from Cameroon and the Canary Islands are worth your time. With a foreword by artist and bon vivant LeRoy Neiman and an afterword by award-winning actor Joe Mantegna, there is more than a touch of the good life here. Sprinkled with photographs from around the world, enlivened by sexy Playboy beauties, and featuring illustrated images of celebrities by Risko, there has never been a cigar book offering more of the good life than Playboy The Book of Cigars. It's the perfect book to keep next to your humidor.
