This is a collection of 200 photos culled from the popular facebook group - featuring misspelled and ungrammatical signs from around the world. The enthusiastic grammar-groupies of "I Judge You When You Use Poor Grammar" have taken and uploaded hilarious pictures of errors that capture outrageous grammatical, spelling, and usage mistakes. This book is a collection of the funniest and most ridiculous of those pictures, along with captions further clarifying and amplifying their humorous aspects. Here are a few of the more egregious errors: 'We are doing toilets cleaning, so sorry for the incontinence' (at KFC); 'Slay Rides' (sign advertising winter activities); 'Entertainment from the Hole Family' (bar awning); and 'Southern Beastro' (restaurant sign).
