"Where the Wild Things Are," one of the wildest and most memorable picture books ever created, is now a movie full of adventure and mystery?--?and huge hairy creatures. Follow Max, a rambunctious boy who feels misunderstood at home, as he sets out in a tiny boat, seeking new worlds across the sea. He lands on the incredible island of the wild things, a place where being a beast isn't a bad thing. The wild things make Max their king, and he reigns over a land of friendly battles, 100-foot-tall dogs, enormous forts, and amazing chases. But life on the island is full of challenges, too. The wild things expect a lot from their king, and if he doesn't please them, there's a good chance he'll be gobbled up

评论

还是喜欢原著，莫名其妙地抵触现代媒体形式。也许想为自己的想象力争取一些空间。这是一本认真对待孩子的幻想的书。寂寞的孩子会发明出无穷的动物和野兽来陪伴自己。
