Peterson's College Guide for Visual Arts Majors helps students find the perfect college

program for studying fine arts, graphic design, architecture, media arts, or any of the many other art disciplines. Comprehensive profiles of undergraduate and graduate programs in both the U.S. and Canada outline costs, deadlines, enrollment, faculty, financial aid, and more. Also included is a wealth of information and insight from college deans, admission directors, and professors; current art students; and industry professionals as well, with in-depth advice on putting together a winning portfolio.
