This is the best buy for collectors with a passion for pocket-sized racers with access to collector pricing and photos of their favourite "compact cars" and the tools to make the most of every collecting opportunity. Compact and organised format, with listings for a variety of cars allows collectors access at shows, and in hobby shops. With price listings for each car, collector advice, and contact information for the most popular

collector clubs, this small-size guide truly represents the idea that great things come in small sizes.
