Just after the iron curtain fell on Eastern Europe John Steinbeck and acclaimed war photographer, Robert Capa ventured into the Soviet Union to report for the "New York Herald Tribune". This rare opportunity took the famous travelers not only to Moscow and Stalingrad - now Volgograd - but through the countryside of the Ukraine and the Caucasus. A "Russian Journal" is the distillation of their journey and remains a remarkable memoir and unique historical document. Steinbeck and Capa recorded the grim realities of factory workers, government clerks, and peasants, as they emerged from the rubble of World War II. This is an intimate glimpses of two artists at the height of their powers, answering their need to document human struggle.

评论

斯坦贝克的非虚构作品有点当代“彼得·海思勒”的意思。冷战刚开始就由美赴苏观察人间。
