在线阅读本书

This is the first Anatomy and Physiology (A&P) book designed specifically for Nursing and Health Professionals. The text adopts an applied and visual approach to help you to engage with this exciting and sometimes complex subject. The book provides a wealth of amazing body facts to help you to remember key points whilst also giving you an appreciation of just how amazing the human design really is. Terminology and pronunciation guides help you to feel confident when using medical terms in practice, and case studies encourage you to link theory with real world' clinical applications. The text is supported by an interesting companion website where you can view further animations and complete various exercises; together the text and website will take you on an exciting and interactive journey through the structure and functions of the human body!

MyLab或是Mastering系列是在线作业系统。Access Code Card是在线作业系统的访问码，是老师和学生课堂之外网络互动及交流的平台，个人是无法使用这个平台的。请读者注意您购买的这个ISBN是不带Access Code Card的。
